

Product Change Notification

Change Notification #: 873887-00

Change Title: Select Intel® Ethernet Connection X557-AT2,
Intel® Ethernet Connection X557-AT4

Change Detail: End of life

Date of Publication: February 06, 2026

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	December 31, 2026
Orders are Non-Cancelable and Non-Returnable After	December 31, 2026
Last Product Discontinuance Shipment Date	June 30, 2027

Description of Change to the Customer:

The Intel SKUs listed in the products affected table will End of life

Customer Impact of Change and Recommended Action:

It is recommended that customers place their last time orders as soon as possible due to limited availability of component parts. Intel does not guarantee fulfillment of any last time buy orders.

Customers should place their Last Time Orders by December 31, 2026 and delivery of all orders must be taken no later than June 30, 2027.

Customers can modify or cancel their orders up until the Last Order Date of December 31, 2026. Non-Cancelable, Non-Returnable (NCNR) terms apply to all shipments after December 31, 2026.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
